

Dear Potential Member,

We are glad you are interested in joining the Shawnee Country Club, which encompasses 27 holes at the historic Shawnee Inn Golf Resort. Enclosed is information regarding membership to the Shawnee Country Club. We would like to extend to you a personal invitation to visit our facilities at The Shawnee Inn and Golf Resort.

This brief tour will include The Shawnee Inn, Gem and Keystone Brew Pub, a brief tour of the Shawnee golf course along with a look at the club room. The object of this tour is to show you the tremendous value and variety of facilities available to you as a member of the Shawnee Country Club. The Shawnee Country Club was established in 1910 and as one of the first golf membership clubs in the region, it is steeped in tradition.

Please contact me personally by phone or email to arrange a time that is convenient for you to visit our facilities.

Sincerely,

Joe Manley
